

# *Pensiero Infinito 2007...L'Oratorio*

<<Long-time friends certainly know our family and business evolution. The first vintage of the **“Pensiero Infinito 2005”** was dedicated to Emiliana and Angelo Accomo, my parents. The second edition **2006** has been dedicated to a myth of Langhe agriculture, the Piedmontese breed cattle, referred to as **“Bue Grasso”**.

The **2007** which will come out this year is dedicated to my childhood, but I think also that many other children **“l'Oratorio”**. When I was a child the free time we passed in football ground, where to receive there was the Pastor of the country, Don Mario, died in 2007.
