

Pensiero Infinito 2006

«Long-time friends certainly know our family and business evolution. The first vintage of the “Pensiero Infinito” was dedicated to Emiliana and Angelo Accomo, my parents; the second edition has been dedicated to a myth of Langhe agriculture, the Piedmontese breed cattle, referred to as “Bue Grasso”.

The cattle breeding, in particular, has been Angelo’s passion with the vineyard. The “Bue Grasso”, besides a draft animal, was an excellent aid economically and for the family image among the community. »
