

NOVEMBER 2010

The booking of the “Pensiero Infinito” magnums continues

The “Pensiero Infinito” is a White Langhe made up of Chardonnay in pureness.

Each harvest we produce 1000 magnums of this wine and there are not any other formats.

The magnums are numbered in a progressive way. It is possible for customers to ask for a particular number and have the same for the following years.

For further information about this product, please, look at the technical schedule, following the link www.briccomaiolica.it.

At the moment, about 80% of the magnums of “Pensiero Infinito” has already been booked, if you are interested in a specific number, please, contact us as soon as possible at our e-mail address accomo@briccomaiolica.it.
